

Directions to Edit Microsystems

Unit 601, The Point, 76 Regent Road, Sea Point
021 433 2520

It can be a little tricky getting to our new offices, please call us if you get stuck.

From Cape Town, take the M6 Beach Road towards Sea Point

Soon after the two lanes of Beach Road merge into one lane, look for Cassell Road on your left

1) Find Parking

1a) To park in the underground (paid) parking

Turn left into Cassell Road (1-way)

The first entrance/exit for the underground parking will be on your left (**Entrance A**)

Alternatively, turn left at the end of Cassell Road onto Regent Road and then take the first left onto St Andrews Road (1-way)

The second entrance/exit for the underground parking will be on your left (**Entrance B**)

1b) To park on the street (free) parking

Parking in Regent Road/Main Road is paid parking – there are official parking attendants with meters.

For free street parking, look for parking along Beach Road, Cassell Road or St Andrews Road

Do not use the main (Checkers) entrance. Use the reception entrance to upper floors on Cassell Road

2) Get to our offices on the 6th Floor

To access the offices on the upper floors use the (glass) reception entrance on **Cassell Road, NOT the main retail entrance**

If you parked in the building: take the elevator to ground floor, exit the building at ground level and go around the building to enter via the Cassell road reception entrance

Sign in at reception and take the elevator to the 6th floor

Exit the elevator on the 6th floor, Edit Microsystems will be on your left, no need to knock, please come in

(If you use the main Checkers entrance you will only have access to the retail shops on the lower 3 floors)

If you get stuck or lost at any point, please call the office and we will direct you or come and meet you

For wheelchair access, please call the office and we will arrange access
